Cedar Bluff Overnight Camp strives to be all inclusive of youth. Safety of our participants is of utmost importance to us. Therefore, if your child works under an IEP (Individual Education Plan) during the school year, for any reason emotional, social, behavioral or physical and/or requires one on one attention, we ask that you share this information with your local extension staff prior to sending your child to camp. This will allow us to come up with a plan of action that is best for your child and the entire camp group.

K-State Research and Extension is committed to making its services, activities and programs accessible to all participants. Reasonable accommodations for persons with disabilities may be requested by contacting Robyn Trussel at 785.798.3921 or . Notify staff of accommodation needs as early as possible.
