

4-H Council Activity Scholarship

Because we have worked so hard the past few years in the concession stands during the County Fair and other fund raisers, our 4-H Council accounts look good. With that the 4-H Council would like to give back to the kids. Each time a 4-Her leaves the boundaries of the county, they have a great time and make many memories. This scholarship program is set up to help send 4-H youth and 4-H volunteers to state wide programs.

\$200 per event has been set aside for the following events:

Campference
Citizenship in Action
Discovery Days
KYLF/KVF

\$100 per event has been set aside for the following events:

Horse Panorama
Specialty Camp (Photo Camp, Clothing Camp, Robotics, and Outback)
NWYLF
State Ambassador Training

Each 4-H member that turns in a completed record book (Personal Page, Permanent Record, and adequate 4-H Story) the previous year is eligible for a one time \$25 scholarship. If a completed record book plus at least one KAP is turned in then they are eligible for a \$50 scholarship toward summer camp of their choice: (No presentation necessary, would be nice to share with your 4-H Club what was fun about camp)

Heart of Kansas at Rock Springs
4-Clover Camp in Dodge City

Walnut Creek Daycamp
After School 4-H
